

10 Hornsby Street Hornsby NSW

Freestanding building. Top floor clearspan + Lower level parking & storage.

Outstanding opportunity to purchase a two-level freestanding building in the heart of Hornsby.

Suit multiple uses including grocer, commercial food production, mechanical, smash repair, car detailing.

The upper level of this building has a large reception and a generous-sized office. The workspace is open-flow with great natural light.

The lower level of this building combines a workshop area and an underground car park. This level has gas connected as well as 3-phase power.

The two levels of this property can be securely split, ideal for two separate tenants.

- Perfect location
